

## GIFT BOXES

Mangawhai is an area that is close to beaches and surrounded by hills, just within the boundary of sub tropical Northland. This means that a wonderful climate for growing things exists. Here at Tara Lodge, we grow commercial quantities of tamarillos as well as slightly smaller quantities of avocados and ruby grapefruit. But surrounding us are many bountiful orchards and wineries, growing everything you can imagine.

We have chosen some of the best producers to work with us in putting together this wonderful box of products and we can assure you of the quality of the product along with the passion of the grower.

In the box we have:

- **Tara Lodge “Not Your Average” Tamarillo Chutney**, a perfect accompaniment for cheeses, meats, savoury muffins & scones. It’s bursting with tamarillos, apricots, ginger, sultanas! Definitely not like Mother used to make!
- **Tara Lodge Famous Tamarillo Vinegar**. This is the most sensational taste which can be used in vinaigrettes, marinades and deglazing pans. It’s stunning drizzled over sliced strawberries and even goes well as a fresh summer drink when soda or water (or vodka!) is added to it with cubes of ice.
- **Lochiel Winery’s wine** – either rose, chardonnay or pinot gris. Lochiel have made a name for themselves with their great wines, both locally and further afield.
- **Tara Iti Extra Virgin Olive Oil**. Grown right near the Big Sand dune in a wonderful microclimate similar to the great olive growing regions of Europe. Tara Iti presses its own olive into the fresh clean oil. You’ll never go back to the stuff you find on supermarket shelves!
- **Tara Iti Red Onion Jam**, another great accompaniment for cheeses, meats etc

- **Tara Lodge cheese and rosemary cookies** – just so you have something wonderful to spread all these goodies on!

The value of this box of goodies is way in excess of what we are selling it for, but we are very proud of the great products being grown here in Mangawhai – and we want you and your friends to experience them for yourselves.

The box is just \$98.00 – delivery is extra & can be by courier or by arrangement for larger quantities.
